You are invited to participate as a sponsor for the 2025 Global Malaria Eradication Conference

Conference highlights

GMEC 2025 will be held on June 20, 2025

300+ attendees from around the globe

working towards a malaria-free world

On behalf of the GMEC2025 Steering Committee, we invite you to the GMEC2025 in Calgary on June 20, 2024. This event is organized by Malaria Partners International (MPI), Rotarians Against Malaria-Global Rotary Action Group (RAM-Global) and Australia Rotarians Against Malaria (ARAM).

With 1.4 million members worldwide, Rotary is becoming a critical partner in the fight to end malaria by providing funding and boots-on-the-ground. We help to train, equip and support Community Health Workers who provide education, testing and treatment for malaria in underserved communities, as well as other activities.

The Global Malaria Eradication Conference will provide Rotarians and partners with the information, inspiration and tools to advocate for Rotary International to adopt malaria as a key priority and to engage in programmatic work that helps eliminate malaria in endemic regions.

We will challenge participants to increase their engagement by providing connections to expertise, funding and active community support. Attendees will leave with shared roadmaps, strengthened partnerships, and a unified vision of how Rotarians can contribute to malaria eradication.

Please join with us as a Sponsor.

Sincerely,

Kevin Klustner
Chair
